

H057 : TOILET CLEANER

eco-friendly mildly acidic toilet cleaner

Description of product

Viscous formula clings longer for more thorough action. Cleans and descales washroom areas. Suitable for use on toilet bowls, urinals and stainless steel. Eco-friendly formulation based on organic fruit acids.

Directions

REGULAR CLEANING: Apply evenly above the water line and around the rim. Leave for 10-15 minutes before flushing the toilet. URINALS: Apply directly to the surface of the urinal with mop applicator, agitate as necessary to remove stubborn stains. Leave to flush and rinse out applicator. N.B. Do not leave neat material in prolonged contact; always rinse off.

iN Insight Supported
