

# HG "stain away no.7"

REMOVES STAINS FROM TEXTILES LEFT BY RUST.

- APPLICATION

On textiles.

- DIRECTIONS FOR USE

Test a small inconspicuous part the material beforehand to check that it is colourfast. Dampen the stain well with the product and allow it to work in for 1-2 hours, although do not allow to dry. Then clean thoroughly with hot water and a brush. Repeat the procedure if necessary and allow it to work in for longer. Place small stains on an absorbent white surface, e.g. white tissue, and dab up with a cloth dampened with the product. Then rinse off well with hot water. In the bathtub and on tiles: place a cloth drenched in the product on the stain and allow some time to work in. Then clean thoroughly with hot water and a brush. Repeat the procedure if necessary. Take care with coloured bathtubs, wash basins, etc. as colour change is possible. Do not use on marble and other not acid resistant material. Store at room temperature.

- PRODUCT INFORMATION

Characteristics	: transparent colourless liquid
Density	: approx. 1.0 g/ml
pH	: approx. 0.5
Components	: nonionics and oxalic acid

- PACKAGING : 6 x 50ml
