

# K259 : SHOE AND HELMET SANITISER

non tainting residual sanitiser

## Description of product

A high quality solvent based aerosol combining disinfecting and air freshening properties. Contains Triclosan for proven biocidal efficiency, prevents cross infection. Bactericide destroys odour producing bacteria, effectively eliminating malodours at source. Pleasant perfume freshens all footwear. Rapid evaporation for quick drying.

## Product Uses

A general all round disinfecting spray for all kinds of footwear and head gear.

## Directions

Shake can well before use. Use in a well ventilated area. Hold can upright, 15 to 20cm from object to be sprayed. Two quick spray actions will disinfect/reodourise.
