

A014 : DIAMOND BRITE

low maintenance wet look floor polish

Description of product

Easy to use - no burnishing required. Maximum scuff resistance. Low maintenance requirement. •Dries to a wet look gloss. •Protects and prolongs the life of flooring materials.

Product Uses

For all linoleum, P.V.C., rubber, sealed cork, sealed wood, terrazzo and thermoplastic floors. N.B. Not suitable for unsealed wood, unsealed cork or laminated flooring.

Directions

Diamond Brite must be applied to a clean dry floor. If required strip old polish with Selate or Selstrip. Apply a thin even film using a clean lint free mop or applicator. Apply a second coat when the first is dry (approximately 30 minutes). Additional coats enhance the finish. May be readily maintained with Selseen or Fastlane. Coverage rate: 60 square metres per litre.

iN Insight Supported

iN Insight is Selden's interactive product selection and training system. Enables the user to create full COSHH training kits, wallcharts, task cards and more. visit <http://www.selden.co.uk/insight>

Product Hazards and PPE Requirements

Risk Phrases
NC Not classified.

Safety Phrases
S2 Keep out of the reach of children., P13 Safety data sheet available for professional user on request.

Technical Data

Composition An advanced blend of styrene/acrylic polymer, wax, wetting agents, film-forming agents and preservative in a water based emulsion form incorporating metal cross linking additives.

Appearance Thin, translucent emulsion

Colour White

Viscosity <10cps

Density 1.039

pH 8.6

Activity 25%

Fragrance Characteristic slightly sweet

Stability Two years minimum in unopened container

Storage Protect from freezing

Environmental Profile

Biodegradability
All surfactants contained in Selden Products meet the requirements of the EU Detergent Directive 2005 – 2004/648/EC. This requires all surfactants to break down both quickly and completely into harmless material such as CO2 and water.
