

# B003 : PINE JELL

floor jell cleaner

### Description of product

Ideal damp mopping solution for all surfaces. Economical maintenance for polished floors - will not remove or dull polish at recommended dilution. Perfect for spray cleaning. Removes dirt and heel marks with ease.

### Product Uses

For regular cleaning and maintenance of linoleum, P.V.C., rubber, sealed cork, sealed wood and thermoplastic floors.

### Directions

For general mopping dilute Pine Jell 1 part to 100 parts hot water. Mop, allow to dry, burnish if required to improve shine. For spray burnishing dilute Pine Jell 1 part to 50 parts water. Spray lightly ahead of machine fitted with a nylon pad and immediately polish to a shine. N.B. For maximum floor life we would recommend the application of Seldur or Diamond Brite prior to regular maintenance with Pine Jell.

**iN Insight Supported**

iN Insight is Selden's interactive product selection and training system. Enables the user to create full COSHH training kits, wallcharts, task cards and more. visit <http://www.selden.co.uk/insight>

**iN Insight recommended product uses**
